AMBLER HIGH SCHOOL

R—Ambler 1949

FOREWORD

It is with mixed joy and regret that we, the class of 1949, leave Ambler High School. We are joyful and eager to take our places in society. Some of us are going on to school; others are going immediately into the business world. We are all deeply conscious of the task before us—to help make peace and harmony reign again in the confused post-war world of today. We regret leaving our teachers who have done so much for us. We regret leaving the carefree life of high school boys and girls. Now we are men and women with definite responsibilities. We feel that with the knowledge and training we have received here at A. H. S., we are able to go out and face our futures as successful American citizens and make our Alma Mater proud of us all.

EARL T. BAKER

DEDICATION

We, the class of 1949, dedicate this R-Ambler to our friend, our guide, our comrade, and our leader, the man who has always understood and helped us, and who has very patiently taught us, not algebra or English, but how to be fine men and women—our principal, Mr. Earl T. Baker.

CLASS HISTORY

Dear Diary:

In September of 1945 many of us, the class of '49, came to Ambler High School from Fort Washington, Spring House, Penllyn, Whitpain, and Sheeleigh. To us, the building was tremendous, its layout confusing; lockers were strange and new; and the teachers weren't real people. (Will we ever forget our first class with Mr. Meyers?)

Our first year was spent in getting acquainted with our new friends and teachers, learning how to eat in thirty minutes and how to go without recesses, marveling at having a different teacher for each subject, and going out for the many activities (sports, band, dramatics, etc.) that were offered us. By the time April rolled around, the 9-2 section had pretty well acclimated itself to its new life and gave a barn dance. The dance was very successful, and it started two of the class romances which have been going strong for four years.

In the fall of 1946 we began to feel quite worldly. We were Sophomores and members of Senior High! In March we gave a formal, the Sophomore Frolic. Do you remember—or should I say, can you forget—the thousands of crepe paper flowers we made for that dance and the benches we borrowed from Old Mill Manor that were so well white washed they whitened all the boys' dark suits?

Last year we were very busy financing the Junior-Senior Prom. We gave cake sales, movies, and a coke dance, which proved to be just as much fun as the prom itself. We slaved for many hours making paper fish, coral, the old sea chest, and other decorations to carry out our "underwater" theme. Then, on May 8, we all danced to the strains of Horace Clyde's orchestra, feeling very smug about being host at one of the best proms that Ambler has ever had.

This year we've run around like chickens with our heads cut off; ordering commencement announcements and name cards, trying to make the yearbook deadline, dreaming up acts for Class Night, and, at long last—graduating.

Our high school years have been wonderful! We had a football team that was undefeated for three years, a hockey team and girls' basketball team undefeated this year. We had a more than generous share of talent, and, scholastically, a very competitive class.

Even though about 99.9% of us don't think so now, we'll miss A. H. S., and we'd just like to wish as much luck and happiness as we've had here to all the classes yet to come.

Our class was quite busy this year. Our first job was to elect homeroom officers. They are President, Joy Gill; Vice-President, Helen Dummeldinger; Secretary, Elaine Kloures; Treasurer, Fred Behringer; Student Council Representatives, Mary Lou Jenkins and John Duncan.

We had an enjoyable class Hallowe'n party. Our class won the first prize in the campaign for selling Philco Band Concert Tickets. Before we went home for our Christmas vacation, we had a party in our homeroom. We sold candy at the basketball games and saved the profits toward a picnic in June.

About half of our class has been on the honor roll every six weeks. A good number of girls and boys in our room took part in intramural basketball. Many girls went out for hockey, and some boys took part in 110-pound football. There are a few band members in our class. We also took part in the class assembly program.

VARSITY FOOTBALL

Dear Diary:

Upper Merion (First Outing)—Things looked bad, going into the second half of our first game. We were behind 12-0 and hadn't been near enough to the Upper Merion goal line to get a good smell of it. I guess it was just another case of Johnny Meyers' locker room oratory which was the turning point, because we went on to tie 12-12.

Quakertown (League Opener)—We were gunning for our 25th straight win and a good start in the defense of our league championship when we took on the Quakers at Ambler. After jumping out to a 13-0 lead in the first quarter, we were never seriously threatened and won handily 26-7.

Upper Moreland (A Close Shave!)—Who will ever forget Comfort's pass to Willox from the one-yard line in the last quarter of this nip and tuck battle? We didn't want to see another as close as this one, but we had two of them coming up. Credit must be given our line for its great defensive work.

Sell-Perk (We Really Let Loose!)—It was the first time in our high school days that we had seen our team reach the point-a-minute class. Altogether, six Ambler players reached pay dirt in an avalanche of scoring which saw us head homeward with our most decisive victory of the year, 61-0. Our varsity played only six minutes of the game, with the second and third teams doing fine work in relief.

Doylestown (Getting Stung by the Hornets)—Let's quote the headline of our local paper for the morbid truth about the game none of us will ever forget. "Doylestown snaps Ambler's winning streak at 29 straight league games." The Trojans last tasted defeat in October, 1945, when the Lansdale Huskies won a Bux-Mont encounter 6-0. Over 3,500 football fans from all parts of the county witnessed the game.

Springfield (Not a Winning Streak of 31 but a Losing Streak of 1)—There was no stopping the Trojan eleven the next time out. They won the most satisfying victory of the year hands down, after all the slide rule experts had deemed them

R. Lindsley

T. Rhoades

R. Serrao

N. Willox

"washed up." Even before the fans had settled down, Rabbit had taken the opening kick-off on his own 13 and scooted 87 yards down the south sideline for one of the sweetest TD's ever placed in the Ambler scoring column.

Hatboro (Passing the Half-Century Mark for the Second Time)—It was another field day for the Blue and Gold as they scored two six-pointers in each quarter and ran rough-shod over the Hatters. Beans and Charlie accounted for 31 of our 52-point total; and, thanks to our strong forward wall, the foe went scoreless.

Jenkintown (Out Last Game on the Home Field)—Of the first half of this battle we can tell you nothing, for the simple reason we couldn't see it. The mist was so heavy that to this day we can't figure out how Comfort could see Willox or Rabbit and hit them with his forward passes. Somehow they managed to collect 27 points in the first half and coast on to win.

Lansdale (The One We had to Win)—All good things must come to an end! Our Trojans, champions of the Bux-Mont for the past three years, finally saw their reign as kingpins go by the boards as they were turned back 14-6 in a great clash at Lansdale before 8,500 hysterical fans. There was never a more thrilling game in the years of the Bux-Mont Conference. So much was at stake! It was the last big game of our season. We were beaten by a better team, and we went down fighting. Will we ever forget the pep meeting before this game?

Souderton (The Finale)—As compared with the ordeal we had gone through the previous week, our last game was drab and colorless. The Shingletowners were far superior to the Big Red and romped to a 39-0 victory.

Looking Back—We have seen some pretty fair football players during our stay at A.H.S. Although our '48 squad had no particular star, our four captains, Willox, Serrao, Rhoades, and Lindsley will be remembered as men who were very handy with the pigskin. It was "gang spirit" that won us our second place birth in the final standings and pushed a total of 341 points across pay dirt as compared with the 60 for our opponents. Two of our boys, Bob Serrao, and Norm Willox, were named on the All-Bux-Mont eleven.

In closing, we'd like to give our vote of thanks to the coaching staff headed by the "Blond Bombshell," Johnny Meyers and ably assisted by Fred Volp and Mervin Henry.

SENIOR HOCKEY

Dear Diary:

August 27—Another season has begun for the fifteen girls who have started their hockey training. The eleven girls who were at Hockey Camp in the Poconos complained of crowded conditions and Sally's heating pad. We were proud of the nine girls from our team who made the two all-star teams at camp.

September 24—Wow! what a score, and for the first game of the season! The whole second team played on first team today.

October 7—Was that nice, Hatboro? You're supposed to hit the ball, not the player.

October 11—Imagine, we were worried about this game. Thanks, Upper Merion, for one more on our long string of wins; and thanks,

Helen O. Mankin, for letting the Bulletin readers know about us.

October 13—Abington—Hey, second team! Stop giving us such a scare! Give the first team a chance to play the exciting game.

October 21—Cheltenham—Thanks, second team; but on second thought I think I like it better the way it was.

October 28—Jenkintown—What a day this has been! I won't say another thing to second team, they seem to be taking me much too seriously.

November 4 — Springfield (our friendly enemies)—I'm kind of glad that's over. I'm sure more than one person developed ulcers worrying over today's game.

November 8—With today's victory the season is over and very successfully, too, I think.

Stop the presses!—Late flash!—The girls walked all over the Junior High team today. That's all right, "juniors;" we give you lots of credit for putting up a good fight.

Another flash!—Our traditional game. Hockey Girls versus Football Boys. In two smashing (that's putting it mildly) games, we met our toughest opponents. The final scores were 0-0 and 0-1, and I know the boys will be angry if I don't specify: the "one point" was made by them.

February 1—The last important event for the first team. Yes, and there were many happy faces as Miss Williams presented fifteen girls with gold hockey balls.

The hundred ten pound team of Ambler High School was quite successful this season. We won two games and lost one. Conshohocken High defeated us, but we put up a fine struggle which made the game interesting to watch.

Our successfulness is due to the fine coaching of Mr. John F. Dwight. He not only coached us, but gave us a rare fighting spirit.

Joseph Vennera, a senior of the school, assisted Mr. Dwight in coaching. Captain of the team is Albert Mastromatto.

Next year we will work very hard and hope to win all the games on our schedule.

VARSITY BASKETBALL . . . BOYS

Our Varsity Basketball Squad started out with a bang by winning three of its first four games. As we headed for Hatboro on January seventh, our Trojans were tied for the league leadership and seemed to be on their way to bettering last year's record of twelve up and six down. The Hatters changed our plans, however, and sent us home with a 59-42 shellacking and the first of a six-game losing streak. We waited until January twenty-eighth for our next victory, but this one proved worth waiting for. We had opened our season against Springfield and had received one of the worst dubbings we were to take all year, 61-31, but we returned from Springfield with our fourth win, a 47-38 upset. Quakertown was next on the list of our triumphs and was the only school we defeated twice. The final victory for the Blue and Gold was a 28-23 thriller over the Doylestown Hornets, which helped to retaliate for their football win.

Co-Captains Walter Moore and Norm Willox headed the team on the floor, and together with John Burns, led the squad in scoring honors. Burns, high scorer in ten of our games, had a season's total of 118 tallies and an average of 6.5 per game. Moore and Willox were close behind him with totals of 112 and 105 points, respectively.

A resume of the season shows Ambler's total scoring output at 636, or an average of 35.3 per game. The same figures for the opposition show a 766 point total and a 42.5 average. Our final standing in the Bux-Mont was eighth place with a won-lost percentage of 389.

The seniors who have finished their work on the boards are Moore, Willox and Clark. Next year's hope will depend largely upon Schneider, Rex, Mallozzi, and, of course, Burns.

In closing we wish to mention the splendid leadership of Coach Johnny Dwight. There was no Louie Thompsons or Sam Mallozzis around AHS this year, but Mr. Dwight built up an outfit that never said die until the final whistle.

SENIOR BASKETBALL . . . GIRLS

Dear Diary:

December 21—Today opened our girls' basketball season for 1948-1949. We trounced our opponents, Lansdale, 44-11. We racked up the points in the first period and concluded the second period with just a few *more* points.

January 7—Although a few weeks of practice elapsed, we stepped in to defeat Souderton on our home floor 37-29.

January 13—Another day, another game. We really conquered Abington with a score of 44-11. (That must be our lucky number.)

January 21—Our season is gradually progressing, with our opponents getting more difficult all the time. The odds were against us today. We did come out the victors, beating Upper Moreland 28-23.

J. Paul

January 27—Wow! The ball had no choice but to go in today. We beat Springfield 33-11. We showed them, didn't we, gang? (They beat us last year.) Homeward bound we came, with many bruises.

February 3—Upper Merion met with a surprise when we defeated them 27-21. They *had* been undefeated.

February 8—Today we rolled up the score against Conshohocken. Another cheer for our team. The scoreboard flashed in red numbers of 42-15. Home again, bursting with pride.

February 10—We played our final game today—Cheltenham on our home floor. Until today Cheltenham had won thirteen straight games. We fixed 'em. Score at final period—35-13. (Our favor!) All told, this season we racked up 308 points against our opponents 138. (Give our guards a lot of credit for our opponents' comparatively few points.) Joan Paul, our captain, was high scorer with 147 points. Wow!

Our Junior Varsity came through the season with only three losses. Warning to next year's opponents: Varsity guard, Grace McGee, will be back with a very promising team to back her.

October 13—First team had a harder fight than second team, but both of them won over Upper Moreland.

CROSS COUNTRY

October 4—Abington

Today opened our cross country season. We went to Abington in the highest of spirits but were beaten 15-40.

October 13—Lansdale

The Huskies came here today, and we were beaten again by a score of 15-40. (Must be our unlucky number).

October 19—Springfield

We won! 25-30. Such a wonderful feeling. Nice going, guys.

October 26—Norristown

The meet was at home today and again we lost 15-40. (I'm beginning to dislike that number very, very much.)

November 2—Lansdale

Went up to Lansdale today in Petey Jenkins' truck. Should have been an inspiring ride, but we lost just the same 15-40. (Again.)

November 9—Springfield

Weren't so lucky against the Spartans this time. They shellacked us 19-36.

November 11—Bux-Mont Meet

Well, today was the big meet. A.H.S. netted 69 points, thus placing third. That wasn't bad considering our string of losses this year.

P. S. Lots of thanks to our coach, Johnny Meyers, and our captain, Wilfred Norris, and loads and loads of luck to next year's team.

FORUM

Dear Diary:

September-November—These were the organization and routine months. Bob Eisenhard was elected president; Paul Seaver, vice-president; Claire Everding, secretary; and Mabel Marple, treasurer. We met alternate Monday nights and debated the questions pertinent to current events. The weeks after our Monday meetings, five people were selected to debate in large meetings at other schools.

Also during this period of time, several of our students took part in Foreign Policy Association discussions, which were held at the Bellevue-Stratford Hotel in Philadelphia. Diana Handy represented Ambler on the student committee that planned the FPA meetings.

November-January—Forum spent most of its regular time and a lot of extra time working on a radio script. The subject of the debate that was broadcast January 17 on KYW was, "Should the United Nations Be Changed Into a World Government?" The people who participated in the broadcast were Diana Handy, Sonya Nylund, Marguerite Reverdy, Bob Eisenhard, and Bradley Taylor. Paul Seaver, Marylou Collier, and Claire Everding helped a great deal in the writing of the script but did not get a chance to represent Ambler on the air.

January-June—On February 1, Ambler entertained nine other schools at a debate on the subject of our broadcast. Paul Seaver was a speaker. After the discussion a delectable dinner was served under the direction of Miss Abrams and Miss Panton. Entertainment was supplied by talented students of Ambler High School.

Throughout the remainder of the year we continued to enjoy our regular Monday night meetings. On March 18, we gave a barn dance at the Youth Hostel in Prospectville—a perfect end for an active and successful year.

We express our thanks to Mr. Raymond Duncan, our sponsor, who certainly helped us in every way possible.

SENIOR COUNCIL

The Senior Council, the governing body of the Senior High, is composed of one representative from each homeroom, a representative from football and hockey, one member at large from the Sophomore Class, two from the Junior Class, and three from the Senior Class, the President of Honor Society, and the President and Vice-President of the band.

The Council functions through various committees such as: recreation, cafeteria, hall guard, athletic, social, and welfare committees. The Council sponsored a party for the Senior High Play ticket sellers, a "cleanup week," a dance and activities concerning various discipline powers.

Our officers are President, Clare Everding, and Secretary, Mabel Marple.

Mable Marple

JUNIOR COUNCIL

The officers of Junior High Student Council are as follows: Alberta Urbach, president; Nancy Doss, vice-president; and Doris Meyers, secretary.

The council consists of twenty-one members and Miss Gear, the advisor. The home room attractive committee is made up of council members and home rooms are inspected every Wednesday. The three most attractive home rooms receive banners. To select the most attractive home room and to have a smooth running committee is one of council's most important duties in junior high. Taking care of the shuffle board at lunch time, helping to keep halls and assemblies quiet and clean are some other duties of council.

SENIOR PLAY

Dear Diary:

Oh! The thrill of opening night again!—the footlights shining on the closed curtain, the rustle of programs and sounds of friendly hello's, Mr. Geary's music, and gracious usherettes. Backstage someone is bellowing, "Where's my cane?" Claire's hair just won't stay up, and Sonya's makeup isn't even on. Just five minutes before curtain time, and no one can find Harlan. There is a quietness, and the voices are hushed as the houselights dim and the curtains part for the first scene of the first act of "Life with Father." The play was very well received each night of March 9, 10, and 11. Some lines were forgotten and a few things went wrong, but those incidents are the ones which furnished excitement then and cause laughter now.

Miss Strickhauser, our director, the backstage crew, the prop and costume girls all deserve a lot of credit, too. Our audience was wonderful, and, on the whole, we had a grand time.

A-CAPPELLA CHOIR

Dear Diary:

On December 22 the choruses gave their annual Christmas Carol Service. It began very effectively with all the girls, dressed in white and carrying lighted candles, marching slowly down the aisles of the high school auditorium singing "Adeste Fideles." The program proceeded with the Bible reading of The Christmas Story by Mr. Kerschner. Then special choral arrangements of Christmas carols were sung by the Girls' and Boys' Choruses, Senior Girls' Chorus, Mixed Chorus, A Capella Choir, and the Forrest Avenue Chorus.

Bob Reim, the senior class's talented baritone, sang two solos, one of them the lovely but simple "Jesu Bambiono." The traditional "O Holy Night" was sung by Mary Jane E. Thompson, who, incidentally, also conducted the Senior Girls' Chorus.

The next to last number on the program was Handel's "Hallelujah Chorus." As is customary when that great chorus begins, the audience arose and remained standing while the mixed chorus sang in an impressive manner.

After our last number, "Good Night and Christmas Prayer," the girls marched up the aisles singing the recessional, "It Came Upon the Midnight Clear." The audience was hushed for a few moments, and then they came bustling out to congratulate Miss Smith, our sponsor, on a splendid program. Carol Shoemaker, Mitzi Gross, Helen Dummeldinger, and Phil Gehman, the accompanists for the evening, have done a commendable job in the same role all year.

In April the choruses and the band joined their talents for the annual spring concert. One of the loveliest numbers was a medley of Victor Herbert's songs, sung by the A Capella Choir, and accompanied by the band.

Choir also participated in the baccalaureate services.

Twelve choir members were selected for District Chorus, and Mary Jane E. Thompson was chosen District Chorus soloist. Don't you think that's proof of the choruses' and choir's successful activity?

SENIOR BAND

The year started out with a bang, as we once more started rehearsing for football season. We felt proud to have the largest band in the Bux-Mont League out there on the field at all the games, backing up the team. After football season we retired to the band room for rehearsals and began preparing for the spring concert which was held in April.

Seventeen of our members represented us at the Bux-Mont Band Concert held at Souderton High School in early March. We regretted that we were unable to send representatives to Southeastern District Band because of the inconvenient time at which it was held.

We were led through a successful year by our conductor, Mr. Geary, and our officers: Jack Kleinfelder, President; Dominic Pugliese, Vice-President; Peggy Lou Geary, Financial Secretary; Punkie Maxwell, Secretary; Lloyd Goldman, Librarian.

JUNIOR BAND

The Junior Band meets every Thursday morning during first period. Here the future Senior band members get their first experience in blowing or banging in chorus. Some of the members succeed in entering Senior Band while still in Junior Band; however, they retain their membership in Junior Band. Senior Band is the goal of all the young enthusiasts in Junior Band.

HONOR SOCIETY

Dear Diary:

There are six of us in Honor Society besides Miss Smith, our sponsor, and we meet every second Monday for dinner to plan future activities and meetings. Our president is Claire Everding vice-president, Punkie Maxwell secretary, Sonya Nylund.

October 12, 1948. We had dinner at Miss Smith's. The menus were all in French, and we had more fun trying to decipher them. Planning the movie and dance for October 15, 1948, was the main activity of the evening.

November 8, 1948. Dinner at Claire Everding's where we ate too much. We had fun planning Last-Will-and-Testament and Thanksgiving programs.

December 13, 1948. A special treat for that evening—dinner at School Inn—given by Sonya Nylund. After dinner we went to her house and spent long hours planning our annual Honor Society Banquet. Following that, we sang. (Not bad harmony, either.)

December 27, 1948. The banquet was a success, even though Claire got the program all confused. She told the audience that one of the speakers wasn't there, and the speaker was there. By the way, we made the front page of the Gazette.

January 10, 1949. Carol Shoemaker was hostess at dinner, and it was superb. We selected the student speakers and the guest speaker for our induction ceremony to be held February 18, 1949.

February 14, 1949. Our last dinner meeting was at Marjorie Briesch's. The food was so good, I think we all gained four pounds. Planning the initations for our nineteen new members was lots of fun, and I am very sure the initiation will prove impressive to them.

Good-bye now, Dear Diary. We, the senior membership will be leaving in June, but our five junior members will make other entries in time to come.
